ACCIDENTS
California Statistics: General Facts 46
At home 53
To children 63
Motor vehicle 68
New approaches to accident problems 65
Prevention services coordinated in Department 143

AGED
Medical assistance program under way 100

AIR—POLLUTION
Crop damage reported in 11 percent of State 6
Effects on laboratory animals to be studied 15
Levels of atmospheric lead being investigated 6
Motor Vehicle Pollution Control Board testing of devices 5, 133, 164
New smog records in Central Valley 111
Research conference on motor vehicle emissions 53
Review of 1961 data 157
Standards for additional contaminants of air quality 78, 164

ALCOHOLISM
Choices of beverages studied 120
Information Week, November 26-December 3, 1961 62
Municipal judges study court attitudes, procedures 52, 134
"Quarter-way" rehabilitation program under way in San Francisco 24
Rehabilitation success at telephone company 111
San Francisco Adult Guidance Center, one of nation's oldest clinics 22
Three new clinics 102

ALPINE COUNTY
Multiple screening demonstrated 25

AMBLYOPIA
Exhibit by Prevention of Blindness Program (picture) 79

AMERICAN SOCIAL HEALTH ASSOCIATION
New office for West Coast program 136
